300 Supporters celebrate Capital Campaign's conclusion

By Maude McCarty, Director of Development

Not even the impending thunderstorm could dampen the spirits of the alumni and friends who assembled in the Kelly Library on June 9th to celebrate the Capital Campaign's formal conclusion. There was good reason for those high spirits: on a \$2.4 million goal the drive has raised over \$4 million.

The guests were congratulated by President Alway and by UofT Chancellor Rose Wolfe; Rev. James McConica, C.S.B., past USMC President, sent greetings from Oxford. Cardinal Carter addressed the gathering and dedicated a recognition plaque bearing the names of \$1,500+ donors.

Buoyed by the speakers' inspiring words, and by the delightful music of the

Emperor Quartet, the festive and convivial group renewed their memories of St. Michael's and toasted their successful efforts for its future.

The President's message to alumni

It is sometimes thought that each year, once graduation is over, St. Michael's settles back into a kind of institutional somnolence until after Labour Day. Looking down from Carr Hall at the quadrangle, quiet and peaceful and still a deep green on an early August morning, one can understand how this perception could gain currency! However, after three years in the President's Office, I can tell you it no longer reflects the reality of summer at St. Michael's.

No sooner were exams over this past May than a construction crew began an eight week project, totally financed by a voluntary student levy, to make Brennan Hall, the Odette Lounge and the Coop wheelchair accessible.

Only three weeks intervened between the warm June day our Baccalaureate Mass was celebrated in St. Basil's Church with the subsequent academic pomp and ceremony of the graduation ceremony in Convocation Hall and two successive July Saturdays when hundreds of eager, anxious high school graduates from all across Ontario and beyond descended on the St. Michael's campus for a full day of introduction to their new academic home. For the fifth

At the Baccalaureate Mass on 14 June G. Bernard Weiler 3T1 was invested as Honorary Fellow of the University of St. Michael's College, joining other Honorary Fellows Louis "Bud" Odette, Harold Murphy, and Bill Broadhurst.

Since his graduation, Bernie Weiler has been a loyal and creative alumnus of St. Michael's. His dedication to the College has been shown not only by financial assistance, but by his volunteer service as advisor, and as active planner and participant in the Michaelmas conference from its earliest days.

In the 59th year of his practice of law in Northern Ontario, Bernie still has the pioneer spirit which took him north in 1934 and has sustained him there ever since. His volunteer service to the Thunder Bay civic and religious communities is extensive, including Presidency of the McKellar General Hospital, work for the Canadian National Institute for the Blind, Chancellor of Lakehead University, and leadership and assistance to the St. Joseph's Foundation and to the St. Joseph's Heritage of Sault St. Marie. The quality of his contribution to the legal profession was recently recognized when he was awarded the Law Society of Upper Canada Medal, the highest honour bestowed by that Society. Bernie Weiler was presented to the Class of 9T3 (which included two of his granddaughters) as a model, like the other Honorary Fellows of St. Michael's, upon which they could

June Convocation '93

Prayers were answered again! The sun shone brightly in a lovely blue sky on 14 June as the Class of 9T3 (over six-hundred strong) gathered for Convocation. As

graduated sons and daughters obtained their gowns, parents, relatives and other friends enjoyed coffee and tea in the Odette Centre. It was standing-room only at the Baccalaureate Mass concelebrated by Father Claude Arnold, Superior of St. Michael's, Father Robert O'Halloran, College Registrar, and Father George Smith, C.S.B. Father Smith, Executive Assistant to the President of St. John Fisher College, Rochester, New York, gave a moving and challenging homily.

John Plater, first William Dunphy Medal awardee with former Principal, Professor Emeritus William Dunphy

The Mass, celebrated in the presence of Archbishop Aloysius Ambrozio, began with the investiture of Mr. G. Bernard Weiler as an Honorary Fellow of St. Michael's.

After the Mass there were coffee and cookies in the Odette Centre and then on to Convocation Hall for the degree-conferring ceremony, during which each graduate was hooded individually and congratulated by UofT Chancellor Rose Wolfe or by President Robert Prichard.

The 1993 Convocation concluded with a buffet-reception-awards ceremony in the Odette Centre at which Brigid Ganey received the Principal's Medal, an award created by the family of former Principal Lawrence Lynch 3T6 to recognize the graduating student who best embodies the ethos and principles of St. Michael's. The Dunphy Medal, established by the St. Michael's faculty and staff in honour of former Principal William Dunphy 4T8 was awarded for the first time. The Dunphy Medal recog-

nizes a graduating student who has shown in practical ways concern for social issues in the College and in the civic community. The first winner was John Plater, who has been active in social health issues and in work with youth. Former Principals Lynch and Dunphy presented the medals struck in their honor.

It was a day of joy, pride and celebration. The St. Michael's Alumni Association, as a sign of welcome to the new alumni and alumnae, hosted the St. Michael's receptions throughout the day.

FATHER ROBERT SCOLLARD, C.S.B. 1908-1993, FATHER BRIAN HENNESSEY, C.S.B. 1919-1993

Two well known Basilian members of the St. Michael's family died this past spring, Father Robert Scollard 2T8, and Father Brian Hennessey.

The last issue of this newsletter reported the celebration on 20 December 1992 of the sixtieth anniversary of Father Scollard's ordination to the Priesthood. Within a few months of that celebration his health failed and he had to be hospitalized. In his inimitable way, he rallied and returned to the College for another few weeks, but it became obvious that he needed more specialized care and moved to the Basilian Fathers Residence in the Cardinal Flahiff Centre. A weakening heart caused circulatory and renal complications, and he died peacefully the morning of 25 June.

St. Michael's owes much to Father Scollard, and partially acknowledged that debt by granting him an Honorary Doctorate in 1982. The three libraries (Pontifical Institute of Mediaeval Studies, St. Basil's Seminary, St. Michael's College undergraduate library) that now form the John M. Kelly Library were all influenced in the early stages of their development by Father Scollard's nurturing hand. He was named the first official College Archivist well after reaching retirement age, and the beauty of the St. Michael's campus is in no small way owing to Father Scollard's quiet, persistent and persevering attention. Until a few weeks before his death he continued to exercise his talent for spotting a drab, deserted little spot and transforming it into a "garden of surprise and delight." But the work to which he was most dedicated was the spiritual welfare of God's People. First and foremost he was a priest, and for almost all of his sixty ordained years

he ministered tirelessly and faithfully to the students, staff and faculty of St. Michael's. He seemed to be ever available for confession and counselling. Many alumni and alumnae can testify to his kindness to them in times of difficulty and illness.

Father Brian Hennessey's eight-year struggle with Leukemia ended peacefully early Sunday morning 23 May. For thirty four of his thirty seven years as a priest he lived at St. Michael's. Except for his two years as Registrar, Father Hennessey was a respected and enjoyed member of the English Department. As his students can testify, his insights, his experience and his brilliant wit made his classes special. As Father Fred Black, C.S.B. noted in his homily at Father Hennessey's funeral, he was an effective teacher, "communicating his spontaneous enthusiasm for the ideas and insights he saw in what he taught, providing an inspiring example of what it is to be a teacher, and coming across with an unpretentious humanity that made him always ready to be not only a teacher but a friend." In the preface to his book *T.S. Eliot and the Romantic Critical Tradition*, long-time friend and former student Professor Edward Lobb 6T8 credited Father Hennessey with leading him to an enthusiasm for Eliot and to the realization that "teaching is an art." There are many memories of Father Hennessey's sharp wit and verbal play. One of his colleagues received a post card of the Acropolis from him on which was written, "Nobody knows the rubble I've seen!"

Father Robert Scollard and Father Brian Hennessey contributed greatly in different ways to the St. Michael's tradition. We are all most grateful for their contributions.

Annual Fund 1992-93, 1993-94

By Robert Madden, C.S.B. ST2

here is something wonderful about annual fund drives. There is suspense, there is repeated pleading, there is the opportunity to scribble little notes to people, there is reticence in hard times, there is disappointing refusal, but there is generosity and, for St. Michael's, along with all the above, there is **ANNUAL SUCCESS!!!**

Once again, the alumni, alumnae and friends of St. Michael's were challenged in 1992-93, and, once again, they came up winners. Once again they stood **NUMBER 1** as Annual Fund donors in the University of Toronto. Over \$600,000 was donated by a record 4,163 donors; almost 25% of our graduates contributed.

Where does that money go? Even a partial list is long: to the distinctive and highly respected academic College programmes such as Christianity and Culture and Celtic Studies; to the St. Michael's chaplaincy; to scholarships and bursaries for new students; to assist in the unique academic counselling summer sessions for in-coming students; to the John M. Kelly Library acquisitions; to the SMC Continuing Studies, from which so many alumni and alumnae benefit and which is having such an impact on teachers; to ensuring the safety of the men and women involved in College athletics; to bring special lecturers and speakers to the campus. Contributors to the Annual Fund make these, and other special things that make St. Michael's unique happen. To all Annual Fund Donors a very heartfelt **CONGRATULATIONS AND THANK YOU !!!**

BUT-- there is another trait of annual fund drives; **they happen every year.** Many of you, if not all, are aware from your summer mail that the 1993-94 St. Michael's Annual Fund has begun. Our goal is \$600,000, a goal we achieved last year--and which we must reach again this year. So, you may ask, how come we do not raise our sights? **READ ON!**

The Board of Directors of the St. Michael's Alumni Association has made a big and daring decision. After discussions at its meetings and after consultation with the administration of the College, they decided two things. First, the Annual Fund goal would remain at \$600,000 (still the highest goal of any UofT College, Faculty, or School) and the funds would continue to support the projects outlined above. Secondly, they committed themselves and all of us to join with the other members of the St. Michael's Family in a special five-year campaign, "Secure the Tradition," which will raise funds to keep St. Michael's College St. Michael's College.

Why are these additional funds needed? President Richard Alway's message on page one of this newsletter answers that question, and also outlines what internal fiscal measures the College has taken to meet what is without question a major crisis in the history of St. Michael's.

The collapse of the Bay Street land sale was welcomed by many, but that collapse and the loss of the annual option payments of \$1 million have put the College at great risk. None of us wants to see that land go, but its sale, or a massive cash windfall of

\$30-40 million, is necessary for the College to stay alive. So, what does all this mean for us, the alumni, alumnae and friends of St. Michael's? To put it bluntly, it means that you will be asked to continue (or begin!) your generous support of the Annual Fund and also be asked to help keep St. Michael's open until the land can be sold at a reasonable price. As you can see, this means that the graduates and other friends of St. Michael's are being asked, through the Annual Fund and through the "Secure the Tradition" campaign to contribute \$1 million annually to the College for the next five years. Unheard of at the UofT? Oh, yes! Can we do it? **You bet!** You will be hearing further from St. Mike's about the special campaign to secure our great tradition; please lend an ear and give as generously as you possibly can!

The President's message to alumni

Continued from page 1

straight year the College presented a highly successful programme of academic orientation for all incoming first year students. The process of renewal and rejuvenation represented by the arrival of each new class on campus was again underway.

Over the next four years the Class of 97T will take its place alongside its predecessors in the ongoing St. Michael's tradition. Also during the summer, a group of alumni/ae representing a span of almost fifty years of graduating classes held meetings, poured over lists and undertook the myriad of tasks involved in planning and preparing a major fundraising initiative designed to guarantee that the College's tradition will continue into the future, secure and vibrant despite the serious challenge to St. Michael's continuing operation.

Last December you received my letter outlining the critical financial situation St. Michael's was facing as a result of the collapse of the Bay Street land sale. Since last fall the College has had to address a very real threat to its future. A great tradition is in danger of ending and we, as graduates of St. Michael's, just cannot let that happen. Our College represents an internationally respected tradition of 141 years of Catholic higher education. And, I suggest, our entire society needs what St. Michael's is able to offer - an influential voice announcing the uncompromising presence of Catholic teaching and learning.

In the past two years the College has developed and implemented a comprehensive financial plan. We began with our expenditures and, through a combination of administrative wage freezes, voluntary restraints and staff layoffs unprecedented in their extent, have now cut our annual operating deficit by almost forty per cent. Needless to say, this has not been easy but it has been accomplished, I believe, without compromising essential activity. As President, I can tell you it represents the realistic limit of what we can do through stringent internal economies.

To meet the challenge presented to St. Michael's by the termination of the land sale, we are now launching an appeal to

graduates and friends of the College for \$2 million. The St. Michael's "Secure the Tradition" Appeal will go forward over a five year period and its objective will be over and above the Annual Fund goal which is already included in our operating budget. At \$2 million the alumni share of the \$6.5 million we need to secure the St. Michael's tradition is the largest. As such it is central to our success.

Encouraging news is that we have received major commitments from the Basilian Fathers, the Sisters of St. Joseph, the Loretto Sisters, other religious communities, private foundations and individuals in Canada. These sources and others will be asked to share in helping us raise the remainder of our overall goal of \$6.5 million.

The bald fact is that the \$2 million alumni goal is central to the future of St. Michael's. Our history through almost a

century and a half has depended on the religious communities that founded and have operated St. Michael's. Priests and sisters have acted as our "living endowment" through their direct donations and foregone salaries. Their numbers, as we all know, have declined over the past two decades. Now is the time for the laity to take a fuller share of financial responsibility for our College. The future of St. Michael's depends on our willingness, yours and mine, to accept this urgent invitation. It has fallen to our generation to determine whether St. Michael's can and will continue.

You will shortly be receiving a letter from me asking for your support of the College. As graduates, we are the ones who have benefitted most directly from St. Michael's rich religious and intellectual tradition. Acting together, we can now secure that tradition as our legacy to future generations of students. Others did it for us; it is now our turn.

Basilians hold general chapter at St. Michael's

Basilians from Canada, Colombia, England, France, Italy, Mexico and the United States gathered in Chapter at St. Michael's for the first three weeks of July. The General Chapter is the highest governing body of the Basilians and brings together elected and *ex officio* delegates every four years to review the governance and life of the congregation and to elect the Superior General and two Assistants.

On Monday 19 July Father Robert Barringer 6T7 was elected Superior General, succeeding Father Jack Gallagher, C.S.B. 5T5.

ST. MICHAEL'S • PREMIUM GRAPHITE

Retreatants Gordon Coleman 5T8, Madeline Kneider 5T8 and Margo Coleman 5T8(U.C).

Peggy and Tim Paterson 6T2 after retreat supper

- Over sixty graduates and friends made the annual alumni twilight retreat on the evening of 4 March. After evening prayer in the College Chapel and a buffet meal in the Coop, Father John Reddy, C.S.B., Chaplain of St. Michael's and director of the retreat, spoke of the role of Lent in our life's journey. His talk, greatly appreciated by the retreatants, was followed by a period of silent prayer and reflection; Mass concluded the evening. Thanks to Cecilia Driscoll 7T9 for arranging music and to Gloria Buckley 4T8, Anita Dignan 6T3, Marcella Tanzola 6T3 and Susan Tomenson 6T0 for their continuing work on the retreats.

- Our last issue regretfully reported the loss in an early December snow storm of the wonderful old linden tree in Scollard Park, between St. Basil's Church and Brennan Hall. It had been hoped that Father Robert Scollard, C.S.B., who planted the linden fifty years ago, and St. Michael's Chancellor Cardinal G. Emmett Carter would be present for a ceremonial planting of the linden's replacement, a beautiful maturing Norway maple, but a June cloud burst forced the cancellation of the event.

A new tree grows in Scollard Park

- The St. Michael's Theatre has a much-needed rehearsal piano, thanks to the kind offices of Catherine Curran Smiglicki 7T4. When her mother no longer had need of her piano, Cathy suggested that the College could put it to good use, which it has! Our thanks to Cathy and Mrs. Curran.

- The retirement from their tenured positions in the UofT English Department of Fathers Charles Leland, C.S.B. and Robert Madden, C.S.B. was marked by two May receptions, one sponsored by the College and the other by the St. Michael's English group, the latter planned by Professor Harvey Kerpneck, the College's English Discipline Representative. Both retirees will remain active at the College; Father Leland will teach part time, and Father Madden will continue as Director of Alumni Affairs.

- On the initiative of President Richard Alway and Principal Joseph Boyle, St. Michael's has increased its recruitment activities. Dean of Men Alexander Reford 8T4 and Professor Mark McGowan of the Christianity and Culture programme visited high schools in the Ottawa area after Christmas. Sister Mechtilde O'Mara, C.S.J., Professor of Classics and Administrative Vice-President, and Father Robert Madden, C.S.B. travelled to Thunder Bay, Ont. in February to speak with students; through the generous hospitality of Bishop John O'Mara, Bishop of Thunder Bay, they also were able to host receptions for guidance counsellors and school administrators, and for SMC graduates in the area. In the spring President Alway, Sister Mechtilde, Dean Reford, Associate Registrar Don Boere 8T5, Assistant Registrar Elizabeth Greco 8T8, and student Michael Faught visited schools in the Hamilton-Burlington area. The College also hosted an information day for guidance counsellors (some of whom were SMC grads) from a dozen Catholic high schools in the Metropolitan Toronto area.

- Appropriate book collections, designated by bookplates, are being established from donations received in memory of Richard Blum 7T1, Richard Johnston, Father Brian Hennessey, C.S.B., Father Norman Iversen,

- The First recipient of the St. Michael's College Student Union's newly established "Award for Teaching Excellence" was Father Robert Madden, C.S.B. 5T2. The award was made at a reception in May.

- The College's wheel-chair access programme took giant strides forward during the summer with the construction of ramps to make Brennan Hall accessible. Funding for this project is coming from the \$70,000 in

THE THIRTEENTH KELLY LECTURE IN THEOLOGY WARMLY RECEIVED AND HIGHLY PRAISED

Courtesy of Janet Somerville 5T9 and Catholic New Times

Father Bryan Hehir, Pastor of St Paul Church, Cambridge, Massachusetts, Head Chaplain for Harvard University, and Professor at Harvard Divinity School, delivered the thirteenth Kelly Lecture on 2 February 1993 to over three hundred people in the Assembly Hall of Brennan Hall.

In a thoroughly researched and well organized lecture entitled "Pacem in Terris after Thirty Years: A New Opportunity," Father Hehir presented clearly and cogently the thesis that the world is readier today for Pope John XXIII's teachings on peace and war than it was in April 1963 when the encyclical Pacem in Terris appeared. When the Pope called for disarmament, mutual trust, and concern for the international common good, many world leaders admired but did not heed him.

However, thirty years later, changed international relationships, reduced nuclear danger, questions about the role of the nation state, and other new factors create, in Father Hehir's view, a "new opportunity" to develop John XXIII's insights. Father Hehir maintained that in this new situation Catholic educational institutions must develop more fully a basis for a synthesis of Faith and reason, of moral wisdom and professional, technical knowledge. "We urgently need forums where the Catholic traditions of substantively engaging world issues are addressed. And we need a critical mass of people working at it," he said. He called for a Catholic higher education well-grounded in the philosophical and theological learning which would equip new generations for the important task of thinking through world issues both professionally and in the light of Faith.

Those who attended the thirteenth Kelly Lecture are more fully aware than ever why Father Bryan Hehir is a principal advisor to the United States Catholic Bishops and a Vatican delegate to the United Nations in matters of international politics, peace and justice.

Spring Reunion 1993

by Father William O'Brien, C.S.B. 4T3

June 4th, 5th and 6th saw the "biggest-ever" spring reunion of alumni celebrating their graduations from St. Michael's. Such was the solemn assurance of President Rick Alway 6T2 at the Saturday evening banquet where 261 (presidential statistic, no less!) honoured graduates and their guests filled the banquet-hall. Brennan Lounge, Odette Centre, was all a-tingle for the Friday evening reception, and while a rain-soaked Saturday put a damper on the tours and garden parties across the University campus, the College Student Chapel was filled for the traditional Alumni Mass, and the brunch in Brennan Hall on Sunday

Presider, Father Bill O'Brien, C.S.B.

Left, all from 4T8: Sister Marion Downer, C.S.I., Gloria Chisholme Buckley, Kathleen Cahill Dunphy, Marianna Korman, Margaret Sneath Hammell, Maureen Hickey Mulhall, Angela Wilson Keyes Sister Helen Harber, C.O.L.R.C., Alice Brennan Brady, Phyllis Weiler Horbattuk, Betty Hill (Engineering!)

was delicious! By all accounts this year's reunion was a terrific success and will be hard to beat.

Special awards were given at the Saturday evening dinner to Mary Pickett Walpole and Mary Frances Mallon, both of the Class of 2T3, for having come the "farthest in time", and to Ernie Kitamura 5T8 for having come the "farthest in space." Ernie came from Japan to be with his classmates for this reunion.

1992-93 ANNUAL FUND

DONOR ACKNOWLEDGEMENT

Over four thousand alumni and other friends contributed to the 1992-93 St. Michael's Annual Fund, an increase of six hundred and sixty over last year. As was announced earlier, the names of donors of \$100.00 and more to St. Michael's through the Annual Fund whose gifts were received between 1 May 1992 and 20 April 1993 are published in the following recognition groups: Presidents' Committee, (Benefactors, \$10,000+; Patrons, \$5,000-\$9,999; Sponsors, \$2,500-\$4,999; Members, \$1,000-\$2,499); Taddle Creek Society, \$500-\$999; St. Michael's Society, \$250-\$499, Double Blue Society, \$100-\$249. Unlike the practice of the University of Toronto Magazine, donations to St. Michael's Capital Campaign or to other constituencies of the University are not included in these statistics. Capital Campaign donor acknowledgements have been made in the Capital Campaign Report. The wishes of those who notified us of their choice to remain anonymous have, to the best of our ability, been respected. Donors are listed alphabetically in their class year within the recognition groups.

Sister Elizabeth Johnson to give fourteenth Kelly Lecture 8 March 1994

The Kelly Lecture Committee is fortunate to be able to announce that the fourteenth Kelly Lecture in Theology will be given by Sister Elizabeth Johnson, C.S.J.

Sister Elizabeth Johnson is the President-elect of the Catholic Theological Society of America and Associate Professor of Theology at Fordham University, New York City. Her two most recent books are Consider Jesus: Waves of Renew-

al in Christology, New York: Crossroad, 1990, and She who Is: The Mystery of God in a Feminist Theological Perspective, New York: Crossroad, 1992.

The fourteenth Kelly Lecture will be given in the Assembly Hall, Upper Brennan Hall, St. Michael's College, 8 March 1994 at 8:00 P.M. The topic of the lecture is "The Search for God."

Father Owen Lee, C.S.B. 5T3, 1993 Christian Culture Medal awardee, reveals greater depth and meaning in Beethoven's Fidelio

The appreciative audience that crowded into the Senate Chamber of Alumni Hall to hear Father Owen Lee speak on "Fidelio: Beethoven's Act of Faith", like the many, many others who have heard him speak, or taken his courses or read his books, understand perfectly why he would be chosen as the 1993 recipient of

Assumption University's Christian Culture Medal. That award recognizes one who is an outstanding exponent of Christian ideals. Fr. Lee's lecture on *Fidelio* was a model of a faithful academic analysis of the literary and musical text of the opera and combined sensitivity to bio-

graphical material with insight into the religious associations of the images and actions in the drama. Father Lee's lecture, like his other work, bore witness to the Church's interest in and dedication to art, culture and the life of the intellect.

SPORTS SHORTS

St. Mike's wins "Triple Crown" — Plus!

For the first time in over fifty years one college has won the three most coveted UofT intramural athletic trophies—guess which one? You guessed it, this past year St. Mike's won the Mulock Cup for football, the Jennings Cup for hockey, and the Sifton Cup for basketball. The last issue of *The St. Michael's* announced the football team's Mulock Cup victory, as well as the Women's Division II bas-

ketball and the Men's touch-football championship seasons. Not to be outdone, the St. Michael's A Men's Basketball Team completed a tough season with a championship performance in the finals. And then came the St. Mike's A Hockey Team. Under the coaching of Father Brian Hogan, C.S.B. of the Faculty of Theology, the Mikemen outlasted their opponents and captured the Jennings Cup, emblematic of hockey dominance at the University of Toronto. And that is not all; the men's and women's ski teams won the intramural championship in the UofT Blue Mountain slalom race in February. So, when it came to sports (and many other things) 1993 "was a very good year!"

☞ Parish "Reps" needed! ☞

St. Mikes' alumni in the greater Toronto area are invited to become a "Parish" representative for Continuing Education. We're hoping to have one representative in each parish to post our fliers in the parish notice board and to serve as "liaison" between St. Michael's Continuing Education and your parish community.

In return, we'd like to offer the parish representative one complimentary registration per term in the course of your choice.

Please call 926-7254 if you'd like to be the voice of Continuing Education in your parish.

1993 Arbor Award Winners Gloria Chisholm Buckley, Brian Anderson, Maureen McCool Pappin, Heather Pappin (20217) with Alumni Director, Robert Madden, C.S.B.

1993 Arbor Award Winners

University of Toronto President Robert Prichard's home was the scene of a festive reception on 28 April to honour the 1993 recipients of the UofT Arbor Awards, the University's recognition of alumni and alumnae who have given it and its constituents outstanding volunteer service over a long period.

St. Michael's was well represented in this year's awardees. Brian

Anderson ST7, Gloria Buckley 4T7, and Maureen McCool Pappin 6T8 have served the College and the University for many years through their volunteer work on the Alumni Board, on the Collegium, on special committees, as Class Reps and as respected advisors. St. Michael's rejoices with them, and happily joins the University in its grateful recognition of their contributions to the life of both institutions.

Debaters' success undebatable

By SMC Debater Tim O'Leary

1992-93 saw the St. Michael's Debating Union enjoy victory after victory, competing with some of the finest university debaters in the world. Commencing the season by winning the Canadian Novice Tournament for the second consecutive year, the Debating Union went on to represent the College at nine tournaments throughout the course of the year, in addition to co-hosting the University of Toronto Tournament, and supplying judges for the York University Tournament. After taking the top speaker award at the Central Canadian championships, the Union travelled from London, Ontario to Lennoxville, Quebec in its quest for victories. At the North American Championships in Lewiston, Maine, St. Mike's own Tom Meehan and his partner Jason Brent claimed the title. This same duo placed second at the World Championships in Oxford, England, where St. Mike's was represented by two teams, whose expenses were partially met through the generosity of Alumni. In all, the Debating Union not only saw one of its most successful seasons ever, but also established a firm foundation on which to build even stronger debating teams.

THANK YOU FOR YOUR HELP, ALUMNI AND ALUMNAE!

THE RICHARD BLUM COLLECTION OF BOOKS ON CINEMA

Mrs. Frances Blum Jones has established a memorial fund to commemorate her son, Richard Blum 7T1, who died of cancer in 1973. As an undergraduate, Richard pursued his interest in cinema, was active in the weekly film showings in Carr Hall, and helped in the John M. Kelly Library. Over the next eleven years books about films and the history of the cinema will be purchased to form the Richard Blum Collection.

Rest in Peace
